## Policy and Procedure:

## Recognition of Prior Learning and Credit Transfer Policy and Procedure

### Objective:

Recognised Prior Learning (RPL) is a process where an individual can use their existing knowledge, skills and experiences gained through life experiences and/or other employment to demonstrate existing competency in particular unit/s. This Policy and Procedure is in place to inform applicants, enrolling students and staff of the Australian Institute of Fitness (AIF) of how to administer Recognition of Prior Learning (RPL) and the related Recognition of Current Competencies (RCC) for any nationally recognised qualification or unit of competency (unit) offered, where appropriate.

This Policy and Procedure also outlines AIF's commitment to mutually recognising units of competencies, accredited courses, skill sets and full qualifications issued by other Registered Training Organisations (RTO), or AQF authorised issuing organisation or authenticated VET transcripts issued by the Registrar of Unique Student Identifier (unless licensing or regulatory requirements prevent this).

### Effective Date:

1 September 2021

### Definitions:

ASQA stands for the Australian Skills Quality Authority, which is the national VET Regulator.

The Australian Qualifications Framework (AQF) means the framework for regulated qualifications in the Australian education and training system, as agreed by the Commonwealth, State and Territory ministerial council with responsibility for higher education. For VET, it refers to all accredited training offered from Certificate I level through to Advanced Diploma levels however also includes the higher education post graduate qualifications through to doctorate level.

Credit Transfer (CT) refers to exemption from enrolment in a particular part of an accredited qualification as a result of previous academic studies of these unit/s of competency and where the completion of study is evidenced and verified by the RTO.

Recognition of Prior Learning (RPL) means an assessment process that assesses an individual's formal, non-formal and informal learning to determine the extent to which that individual meets the requirements specified in the training package or VET accredited courses. It is closely linked to Recognition of Current Competencies, where:

- Formal learning refers to learning that takes place through a structured program of instruction and is linked to the attainment of an AQF

qualification or statement of attainment (for example, a Certificate, diploma or university degree)

- Non-formal learning refers to learning that takes place through a structured program of instructions, but does not lead to the attainment of an AQF qualification or statement of attainment (for example, in house professional development programs conducted by a business)
- Informal learning refers to learning that results from experience of work-related, social, family, hobby or leisure activities (for example the acquisition of interpersonal skills developed through several years as a sales representative).

RTO means Registered Training Organisation, commonly known as a Training Provider or Provider and has the meaning given as defined in the NVR Act 2011.

Unit of Competency means the specification of industry knowledge and skill and the application of that knowledge and skill to the standard of performance expected in the workplace as defined in the training package. All accredited training is grouped into individual units of competency, which form a full qualification or skill set.

VET means vocational education and training.

## **Policy:**

This Policy and Procedure ensures applicant and enrolling student's prior gained competencies, regardless of how they were obtained, are systematically assessed for recognition purposes in alignment with the rules of evidence, through an application process.

For the purposes of ease, RPL and RCC will be referred to as 'RPL' within this Policy and Procedure.

AIF acknowledges and ensures that the same rules and evidence and assessment principles as for all other assessment activities are adhered to in their delivery of RPL services. RPL services are always conducted with the same rigour as any other form of assessment and its RPL training product material is developed to align with the packaging rules of the relevant qualification. This includes review by a qualified Assessor (known as Coach).

In order to grant RPL, AIF Coaches determine whether the RPL student is currently competent against the endorsed industry or enterprise competency standards or outcomes specified in Australian Qualifications Framework (AQF) accredited qualifications and courses, through application of a range of assessment strategies.

AIF appreciates the value of workplace and industry experience and recognises that students will acquire vocational skills and knowledge from a variety of sources other than formal training. These skills are legitimate irrespective of how they were acquired and the RPL process is designed to provide validation of such relevant skills, without the need to repeat this learning should RPL be granted.

**Responsibilities  
and  
Accountabilities:**

This version of the policy and procedure and any amendments to related documents, have been authorised by AIF's Chief Executive Officer (CEO). The Head of Compliance and Training, as delegated by the CEO, is responsible for ensuring this policy and procedure is implemented at all times across AIF and ensuring that all staff are fully trained in its operation.

AIF's Compliance Manager is also responsible for ensuring this policy and procedure and related documents are maintained and up to date through an annual revision, as well as through any ongoing quality activities including audits and feedback.

In accordance with the AIF Code of Conduct, any breach of this policy is dealt with seriously and may result in disciplinary action including termination of employment, depending on the severity of the breach.

Where Team Members consider that significant departures from the principles of this policy have occurred, they are obligated to report it immediately to their Line Manager or iExec Team Member. Failure to do so constitutes a breach of this policy & AIF Code of Conduct.

**Procedure:**

### **Information about RPL**

Applicants who believe they have already obtained current skills and knowledge that would otherwise be covered in the qualification/unit of competence for which they intend to study, or where these skills and knowledge is identified by a Coach, will be encouraged to apply for RPL at the time of enrolment or at least 14 working days prior to the unit/s commencement to allow for sufficient assessment of the evidence submitted. Reference to RPL services is made available to the students in summary through the Success Plan and in the Student Handbook as well as available on the AIF website.

A Student may seek credit for all relevant training and industry experience for relevant units of competency and qualifications that they have already achieved through applying this Policy and Procedure and which may result in fewer units of competency needing to be completed for the qualification.

RPL applicants must in the first instance, complete and submit the RPL Evidence Guide with accompanying Portfolio of Evidence, after reading AIF's RPL Guidelines. The AIF documents are issued by either the Career Guru if part of the application and enrolment procedure, or the Student's Coach if at or after induction.

Once the RPL Evidence Table is completed and submitted with the Portfolio of Evidence by the Student, the applicant will be assigned an assessor Coach to review the evidence and undertake any further evidence gathering, which can include reference checks and competency conversations to confirm the Student's competencies. The range of evidence within a Portfolio of Evidence against each unit of competency in which they are applying for RPL, includes with applicants encouraged to provide as much evidence as possible:

- Detailed resume
- Verified/certified copies of academic transcripts and/or statements of attainment
- Certificates of participation, awards or letters of commendation
- Duty statements and/or workplace reports
- Registration certificates
- Conference or workshop attendance certificates
- Projects and/or documents developed or implemented
- Samples of real work that support competence in a particular area, for example programs developed for clients
- References or written testimonials from employers or past employers
- stating achievement of competency/ies
- Statements or validations from clients verifying services provided
- Performance appraisal reports
- Video tapes, tape recordings and or photographs of work activities
- Written validation from workplace supervisors
- Position description/s or duty statement/s.

Wherever relevant, Coaches will also remind students of this option progressively throughout their time in training, in order to provide multiple opportunities for students to engage in the RPL process. Once again, the student must submit their RPL application no later than 14 working days prior to the unit/s commencement to allow for sufficient assessment of the evidence submitted.

### ***RPL Approval***

The Coach will advise their supervising Training Team Leader of the recommended outcomes of their RPL assessment. It is the responsibility of the

Training Team Leader to review all the evidence and the Coach's judgement, and make a decision on the outcome of the RPL application.

#### ***Attendance Credit***

AIF training programs are segmented into sessions and modules. Attendance at specific sessions or modules is optional (not compulsory) if the student has all the competencies covered in the session or module.

#### ***Assessment Credit***

Assessments are conducted throughout and at the end of each module and program participation in a specific assessment and judging of competency is not required if the student has all the competencies being assessed in an assessment.

#### ***Financial Credit***

Due to the integration of competencies across delivery of sessions, assessments, and modules, as well as the participation quotas applied to all programs, financial credit for a module or program applied for will only be granted at a module or program level, where all competencies have been granted in that module. Where partial completion of a module or program is granted through the RPL process, full payment for the module or program will apply.

#### ***RPL Fees***

RPL applicants are advised that this service will incur a \$200 per unit assessment fee as part of the application, specifically in the RPL Guidelines.

#### ***Ensuring Authenticity***

All employment evidence is verified by the assessor Coach as part of the RPL service, in relation to the authenticity of employment and detailed the industry experience of, and qualifications held by, the letter/s' author/s.

#### ***Outcome of the RPL Service***

Written advice of the outcome will be forwarded to the applicant/student within 3 days of the final decision by the Support team. For units that are granted RPL:

- The student is exempt from having to complete those units
- The units will contribute to the student's eligibility to obtain their full qualification.

The Team Training Leader will:

- Review and make the appropriate adjustments to the student's planned Training Plan/Course Outline
- Advise the Support team so that full recognition is granted and the appropriate recording is made within aXcelerate, AIF's student management system against the approved units, and that a review of the fees and charges is made with a fee refund organised if eligible
- Stores the student's completed documents and evidence and accompanying evidence on the designated student file in aXcelerate.

Should the Training Team Leader deem that the student does not fully satisfy all the qualification/unit requirements, he/she will initially request further evidence to be assessed by the Coach, and should that remain insufficient:

- Recommend gap training and/or confirm the original training schedule

- Advise the Support team so that the appropriate recording is made within aXcelerate
- Ensure the documents are stored on the designated student file in aXcelerate..

AIF takes care to ensure that the sequence of any gap training and assessment and the RPL are in accordance with unit of competency requirements, whereby RPL is not granted for competencies where AIF provides training and assessment for the underpinning pre-requisite(s).

### ***Appealing the RPL Decision***

All RPL applicants have the right to appeal any decision made about their RPL application, in accordance with AIF's Complaints and Appeals Policy and Procedure. Should their application not be successful, the Student is provided with further detail about this procedure as part of the outcome advice of their application.

Students who have completed a nationally recognised qualification/unit that have the exact same code as a unit currently enrolled/enrolling within will be eligible for credit transfer for the particular unit(s) and will be referred to the Credit Transfer arrangement in place.

### **Information about Credit Transfer**

Information provided to AIF for the purposes of a credit transfer is verified by way of:

- USI transcript verification, or
- Requests for certified copies of original documents and always through
- Validation with the issuing RTO, using the Student Consent for Qualification Verification Form.

In the case where the issuing RTO has closed, the Support team will contact ASQA to seek a confirmation of previous studies.

If a student indicates that they wish to apply for Credit Transfer, AIF will issue a Credit Transfer Form for the student's completion and advise of the evidence required.

### **Credit Transfer Fees**

There is no cost associated with credit transfer services.

### **Credit Transfer Requirements**

Students may apply for credit transfer at any time but are encouraged to apply before commencing the relevant unit/s of competency. Applications must be received at least 14 days prior to the unit/s commencement to allow time for verification of the evidence submitted.

Credit Transfer may only be awarded for whole units of competency. Where a partial credit is identified the applicant will be advised to consider Recognition of Prior Learning (RPL) services.

Credit Transfer arrangement is not contingent on the applicant demonstrating their currency. If the unit has been previously awarded and equivalence can be demonstrated, then the unit will be recognised.

Students cannot apply for Credit Transfer for units of competency or qualification which are not included in AIF's scope of registration unless they meet the packaging rules of the chosen qualification.

AIF's Credit Transfer services are always conducted by the Support team and approved by the designated Training Team Leaders.

### **Outcome of the Credit Transfer Service**

Written advice of the outcome will be forwarded to the applicant/student within 3 days of the final decision by the Support team.

For units that are granted credit transfer:

- The student is exempt from having to complete those units, and
- The units will contribute to the student's eligibility to obtain their full qualification.

Should the designated Training Team Leader deem that the student satisfies all the qualification/unit requirements, they will:

- Review and make the appropriate adjustments to the student's planned Training Plan/Course Outline
- Advise the Support team to make the appropriate recording within aXcelerate, AIF's student management system and that a review of the fees and charges is made, with a refund organised if required
- Store the student's completed Credit Transfer Form and accompanying evidence on the designated student file in aXcelerate.

Should the designated Training Team Leader deem that the student does not fully satisfy all the qualification/unit requirements, he/she will initially request further evidence to be assessed, and should that remain insufficient:

- Recommend gap training and/or confirm the original training schedule

- Advise the Support team to make the appropriate recording within aXcelerate, AIF's student management system and that a review of the fees and charges is made
- Store the student's completed Credit Transfer Form and accompanying evidence on the designated student file in aXcelerate.

### **Appealing the Credit Transfer Decision**

All Credit Transfer applicants have the right to appeal any decision made about their Credit Transfer application, in accordance with AIF's Complaints and Appeals Policy and Procedure. Should their application not be successful, the Support team will provide further detail about this procedure as part of the written outcome advice of the application.

## RECOGNITION OF PRIOR LEARNING (RPL) Guidelines

Recognition of Prior Learning (RPL) involves the process of recognising skills and knowledge acquired through either formal learning or informal learning (such as life experience and working within industry). RPL is applicable where an individual:

- Has studied in the past and can provide verified/certified copies of certificates and details of the completed courses as evidence of prior study
- Currently works in the industry and can provide documents as evidence to verify their work experience

Applicants are required to:

- Collate documents verifying prior study and work experience as a portfolio of evidence\*,
- Show how such evidence matches and satisfies the units of competency in the qualification for which they are seeking recognition via the RPL Evidence Table.
- Enrol into the RPL process
- Pay the RPL fee, which is \$200 per unit of competency for which RPL is sought (this fee can be credited towards the full cost of further study as and if required), and
- Submit this application – together with your portfolio of evidence – to the AIF for assessment.

\*Documents in a portfolio of evidence might include:

- Verified/certified copies of academic transcripts and/or statements of attainment
- Certificates of participation, awards or letters of commendation
- Duty statements and/or workplace reports
- Registration certificates
- Conference or workshop attendance certificates
- Projects and/or documents you have developed or implemented
- Samples of real work that support your competence in a particular area, for example programs you have developed for clients
- References or written testimonials from your employer or past employers stating that you have achieved a competency
- Statements or validations from your clients saying that you trained/massaged them.
- Performance appraisal reports
- Video tapes, tape recordings and or photographs of your work activities.
- Written validation from your workplace supervision
- Position description or duty statement

## **The RPL Process**

The AIF RPL Assessor will respond to your application within 30 days of receipt of portfolio evidence, assuming the evidence is presented in English, is in an organized and structured manner and copies of original documents are verified/certified. Any subsequent resubmissions will occur outside this period.

Successful RPL will recognise specific Units of Competency required for a qualification embedded in an Institute training program. Recognition of these Competencies may result in credit towards attendance, assessment and/or financial payment as follows:

#### *Attendance Credit*

Institute training programs are segmented into sessions and modules. Attendance at specific sessions or modules is optional (not compulsory) if the student has all the competencies covered in the session or module.

#### *Assessment Credit*

Assessments are conducted throughout and at the end of each module and program participation in a specific assessment and judging of competency is not required if the student has all the competencies being assessed in an assessment.

#### *Financial Credit*

Due to the integration of competencies across delivery of sessions, assessments, and modules, as well as the participation quotas applied to all programs, financial credit for a module or program applied for will only be granted at a module or program level, where all competencies have been granted in that module. Where partial completion of a module or program is granted through the RPL process, full payment for the module or program will apply.

### **The Formalities**

Applicants not satisfied with the RPL outcome:

- You may appeal the decision of the RPL process. The appeal process is detailed in the Student Handbook

**Are you ready to commence the RPL process?** Complete your Evidence Table & Portfolio.
